TECH  
208-960-0027

## ABOUT US

Based in Nampa, Idaho, where our founders have been helping customers with technology for 25 years.

After almost 20 years serving big corporations, we want to bring world class technology solutions to Treasure Valley businesses.

## SERVICES AVAILABLE

- SECURITY AND VIRUS
- SOFTWARE APPLICATION DEPLOYMENT AND SUPPORT
- REPAIRS AND UPGRADES for APPLICATIONS AND HARDWARE
- TECHNICAL TROUBLESHOOTING AND DEBUGGING
- NETWORK AND WIRELESS TECHNOLOGIES
- SERVER AND EMAIL ADMINISTRATION
- DATA MANAGEMENT / BACKUP / RECOVERY / MIGRATION

## TECHNOLOGY SOLUTIONS THAT WORK FOR YOU

We believe technology is an equalizer, and we help create environments to take advantage of your business opportunities. We build efficient, scalable, and secure solutions that are easy to understand and that fit your needs.

*"As the owner of a growing small business, 208 Pro Tech helped me navigate the maze of business technical systems. 208 Pro Tech offered suggestions, helped me prioritize, and explained everything in such a way I could understand."*

*– Andrew Nunn, Owner, nwgroutworks.com*
